**Art Center Announcement:**

## **Fine Art Workshops** *Masters Series*

The Artists of Yardley Art Center is proud to present a series of Fine Art Workshops taught by the top professional artists of the region. John Murdoch, John Ennis, Dot Bunn, and George Thompson are scheduled and currently taking sign-ups. Robert Sakson, Rose Marie Strippoli, Mitch Lyons, Colleen Attara and Behrooz Salimnejad are among the instructors being scheduled.

**Saturday, June 5th (9AM to 4PM)**  
*Basic Drawing*  
**One Day Workshop \$80**

**John Murdoch, Instructor**

This class is ideal for beginners as well as more advanced students.

Have fun and learn how to draw! Regardless of the student's level, individual attention is focused to bring up their skills while strengthening their individual expression. Students can draw from objects or from photos of faces, bodies, landscape etc. The day starts with warm ups in charcoal in the event your drawing skills are rusty and we slowly work up to one or more finished drawings.

"Yardley Farmhouse" oil by John Ennis

**Saturday, June 12th (3PM to 7PM)**

***Landscape Painting***

**Half-Day Workshop \$50**

**John Ennis, *Instructor***

Set in the late afternoon to take advantage of the summer light, students will learn fundamental skills for landscape painting. Participants will be advised on choosing a location, creating a composition, and will execute a landscape field study on the grounds of beautiful Patterson Farm, the new home of the AOY Art Center.

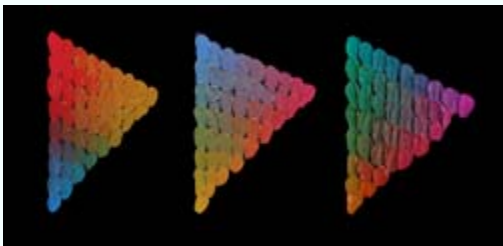

**Saturday, July 24th (9AM to 1PM)**

***Color Management***

**Half-Day Workshop \$50**

**Dot Bunn, *Instructor***

A packed four hours of color information covering how to choose paint, mixing paint on the palette for harmony and clarity and a demonstration of color mixing with a limited palette. This workshop will be informative for the tonalist painter as well as the colorist painter. Students should be prepared to take notes and bring their supply of oil colors and a good metal palette knife for mixing.

Color Keys from Dot Bunn Workshop

**Saturday, September 11th (1PM to 5PM)**

***Getting The Most Out of Life Drawing Sessions***

**Half-Day Workshop \$50 plus \$8 model fee**

**George Thompson, *Instructor***

This workshop is based on George Thompson's article in the May 2010 issue of the Artist's Magazine, The Live Option. Through classic drawing exercises, you will learn how life drawing sessions can keep you sharp and help you grow as a draftsman. We will cover gesture, contour, anatomy, value, creativity and more. An intense work out and lots of fun. All levels are encouraged.

"Tiffany" by George Thompson

## Summer Camp Registration

Registration for the Summer Camp Program for children and teens is underway. To learn more visit
